Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

7. DURATION

If the Department, the State or another person permitted by them is using the Individual's personal information or Individual work, or has entered into contractual obligations in relation to the Department's material that incorporates the Individual's personal information or Individual work, the consent will continue in relation to that material until the use is complete or until the contractual obligations come to an end. It is not possible for the Signatory or the Individual to withdraw the Individual's personal information or Individual work or revoke this consent in relation to such existing uses of that material.

If you do wish to revoke or modify this consent in relation to any further new uses of the Individual's personal information or Individual work, the Individual or the Signatory should send a notice in writing to the person nominated in Section 2 of this Consent Form. After that notice is received, the Department and the State will still be able to continue the existing uses, but will not be able to make any further new use of the Individual's personal information or Individual work.

The Signatory acknowledges that where material is uploaded to a Social Media website or other website:

- the use and contractual obligations may be perpetual and irrevocable; and
- it may not be possible to ensure that all copies of the material are deleted or cease to be used, and the Department and the State will not be responsible for doing so.

8. DEFINITIONS

- 'Use' includes:
 - to create, make copies of, reproduce, modify, adapt or retain in any form, including by camera, video, digital recorder, webcam, mobile phone or any other device; and
 - to distribute, publish or communicate in any form, including in newsletters and other print media, television and the internet and Social Media websites, in whole or in part, and to permit other persons to do so.
- The Department or the State will not pay the Signatory or the Individual for giving this consent or for the use of the Individual's personal information or Individual work.
- This Consent Form revokes and replaces all previous consent forms in relation to the use of the Individual's personal information or Individual work.
- This Consent Form is a legally binding and enforceable agreement between the Signatory and the Department or the State.

- Nothing in this Consent Form limits the rights that the Department or the State reserve in relation to the use of the Individual's personal information, Individual work or other intellectual property under any other law.
- The 'Department' and the 'State' include the officers and employees of the Department and the State engaged in performing services for the Department and the State.
- 'Social Media Website' includes any website operated by a third party which facilitates the uploading and sharing of user generated content, including social and professional networking websites, web forums, blogs and wikis.
- This consent extends to the Department and the State:
 - disclosing the Individual's personal information and Individual work to the Department's and the State's agents, contractors and volunteers for the purpose of performing services for the Department and the State; and
 - permitting those persons to use, record and disclose such material to the same extent as the Department and the State are entitled to deal with the Individual's personal information and Individual work.

9. NOTE

The Department will use its best endeavours to ensure the person signing this Consent Form is authorised to do so, but takes no responsibility for circumstances in which it is misled as to the identity or authority or ability of a person to provide consent.

If you require a copy of this signed Consent Form, or if you wish to revoke this consent, please contact the Principal of the school at which the Individual is enrolled or works or send a request in writing to the District Office.

10. INFORMATION**What is this consent for?**

This Consent Form authorises the Department and the State to use the Individual's personal information and copyright material, together with information about the Individual's participation in Departmental and State initiatives, for any use by the Department and the State associated with the purposes identified in Section 6 of this Consent Form. The consent covers the entire or partial use of the Individual's personal information and copyright material in conjunction with other words and images.

For example, the Individual's personal information and copyright material may appear in school newsletters, magazines, websites (including Social Media Websites) and other school, departmental or State publications, as well as in television advertising, videos, brochures, forms, public relations displays, annual reports, press advertising, internal documents such as manuals, websites, certificates and strategic plans, and posters and other promotional material. There may also be occasions on which the Department may approve the media, such as local newspapers and television stations, using information and copyright material in relation to the Individual (for example, where the Individual is involved in dramatic or musical performances, sporting activities or award ceremonies).

Websites

Individuals and Signatories should be aware that publication of an Individual's personal information and Individual work on Social Media Websites is similar to publication in newsletters, magazines, brochures, etc; however publication on Social Media Websites is publication of that material to the world at large.

Individuals and Signatories should be aware that the publication of an Individual's personal information and Individual work, by the Department or the State, on a Social Media Website typically constitutes a permanent and publicly available record of that material. This means that anyone may be able to copy and use an Individual's personal information and Individual work that has been published on a Social Media Website for any purpose and without the consent or knowledge of the Department, the State or the Individual. Individuals or Signatories should not grant their consent to the Department or the State to use an Individual's personal information or Individual work in connection with a Social Media Website if the Individual or Signatory does not agree to the material being permanently available to the public.

If an Individual's personal information or Individual work is published on a Social Media Website, that material will be governed by the privacy policy and terms of use of the relevant Social Media Website. The Department or State cannot reasonably control how an Individual's personal information or Individual work is used by third parties once the material has been published on a Social Media Website.

What is copyright material?

An Individual's copyright material may include written work (e.g. stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, recordings, computer programs, websites, sculptures, fashion, metal- or wood-works made by them or to which they contributed. In the case of students, it includes, but is not limited to, work that they create in the course of their studies during the time they are enrolled at a State school. These materials may form part of their academic assessment or be part of their studies generally and may attract copyright.

The Department understands that students and volunteers generally own the intellectual property rights in the material they create and that this Consent Form is not meant to transfer the Individual's ownership of the intellectual property in their copyright material.

This Consent Form *does not provide for copyright consent in relation to copyright works an Individual creates in the course of employment* (whether or not the material is created in normal work hours or using departmental facilities or equipment). Where copyright material is created by a State employee while performing their duties under the terms of their employment, the copyright is owned by the State as the employer (section 35 *Copyright Act 1968*). There are limited exceptions to this including, for example, where the copyright material is created by an employee pursuant to a prior agreement with the employer.

Generally, the deciding factor is whether the employee is performing their official duties. In addition, section 178 of the *Copyright Act 1968* applies where the work was created by or under the direction or control of the State. However, moral rights may still apply to copyright material created by an employee. The *Queensland Public Sector Intellectual Property Principles* provide further information on intellectual property. If as an employee you have any further queries about the ownership of the intellectual property in respect of the works you create you should contact the Legal and Administrative Law Branch.

What is personal information?

Personal information includes information or opinions, whether true or not, about an individual whose identity is apparent or can reasonably be ascertained from the information or opinion. This includes the Individual's name, image or video or sound recording. It also includes the Individual's educational information such as the Individual's assessment and results, and health information and court orders provided to the Department, where such information may enable the Individual to be identified.

What happens to the Consent Form once it is completed and signed?

The Consent Form is retained by the Department and it will be placed on the Individual's file and/or the project file. The Individual or Signatory may request a copy of the signed form by contacting the Principal of the school.

What if I give my consent and later change my mind?

This consent will be in effect from the date the Consent Form is signed. The Department and the State will then start using the Individual's personal information and Individual work to create material incorporating the Individual's personal information and Individual work and entering into contractual obligations in relation to that material.

If you wish to later modify or revoke this consent, the Individual or the Signatory should send a notice in writing to the person nominated in Section 2 of this Consent Form. After that notice is received, the Department and the State will not make any new additional use of the Individual work, but any existing uses will continue.

Where the Department or another person uploads material to a Social Media Website or other website, it may need to accept contractual obligations that are perpetual and irrevocable. It may not be possible to ensure that all copies of the material are deleted or cease to be used, and the Department and the State cannot take responsibility for doing so.

Privacy

The consent to the recording, use and disclosure of the Individual's personal information and Individual work is required in accordance with the *Copyright Act 1968* (Cth), the *Education (General Provisions) Act 2006* and the *Information Privacy Act 2009*. Personal information will be stored securely. The Department will only disclose the Individual's personal information in accordance with your consent, except where authorised or required by law. If you wish to access or correct any of the personal information on this form or discuss how it has been dealt with, or if you have a concern or complaint about the way the Individual's personal information has been collected, used, stored or disclosed, please contact the school.

Terms and Conditions of the Student Resource Scheme

Privacy Statement

The Department of Education collects this information in accordance with section 51 of the *Education (General Provisions) Act 2006* ("the Act") in order to administer the Student Resource Scheme (SRS). The information will only be accessed by school employees administering the SRS. However, if required, some of this information may be shared with departmental employees for the purpose of debt recovery.

Definitions

1. Reference to a "parent" is in accordance with the definition in the Act and refers equally to an independent student.

The Student Resource Scheme (SRS)

2. The cost of providing instruction, administration and facilities for the education of students enrolled at state schools is met by the State.
3. The school is not responsible for providing textbooks, in-class consumables and personal resources for students.
4. The SRS enables parents to access certain resources, as detailed by the school, for an annual fee.
5. Participation in the SRS is optional: parents are under no obligation to participate.

Parents and Citizens' (P&C) Association support of the SRS

6. All parents are invited to participate in the annual meeting of the P&C Association at which the income and expenditure report is presented and the proposed SRS inclusions and fees are tabled for approval.

Parents experiencing financial hardship

7. Principals may vary payment options and/or waive all or part of the participation fee for parents experiencing financial hardship.
8. Parents experiencing financial hardship who wish to participate in the SRS should contact the Principal to discuss options.
9. The onus of proof of financial hardship is on the parent.
10. The school may require annual proof of continuing financial hardship.
11. All discussions will be held in the strictest confidence.

Parents participating in the SRS

12. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
13. [An] invoice/s for the amount of the annual participation fee will be issued to the parent providing consent to participate in the SRS.
14. This agreement is for the duration of the student's enrolment at the school, unless a new Participation Agreement Form is completed.
15. Parents must notify the school before the invoice due date if they intend to cease their participation in the SRS in any year.
16. Where a parent chooses to participate, they are agreeing to pay the annual participation fee, in accordance with the payment frequency option selected on the form. There is no provision for part-participation.
17. All SRS resources provided for the student's temporary use remain the property of the school and must be returned when requested by the school or if the student leaves the school.
18. Parents are responsible for ensuring that any SRS resources provided for the student's temporary use are kept in useable condition. Where an issued item is lost, not returned, or negligently damaged, parents will be responsible for payment to the school of the value of the item or its repair.
19. Parents must inform the school if items on the list of resources are not received.
20. Non-payment of the participation fee by designated payment date(s) may result in debt recovery action in accordance with the Department's [Debt Management procedure](#). In such cases, the Principal may:
 - withdraw the student's participation in the SRS
 - require the return of items provided by the SRS
 - withhold the provision of any further items under the SRS
 - refuse participation in the SRS where participation fees are overdue from the previous year(s), and/or
 - exclude the student from optional, non-curricular activities and/or
 - initiate debt recovery action.

Parents NOT participating in the SRS

21. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
22. This agreement is for the duration of the student's enrolment at the school, unless a new Participation Agreement Form is completed.
23. Where a parent has previously indicated that they will participate in the SRS, but wishes not to participate in any year(s), the parent must notify the school prior to the invoice due date of their intention to cease participation.
24. Parents who choose not to participate in the SRS are responsible for providing their child with all items that would otherwise be provided by the SRS. School-produced resources (e.g. Student Diary) will be available for separate purchase from the school for non-participants.

Operating the SRS

25. Schools will provide all parents with a list of resources provided by the SRS to enable parents to assess the cost effectiveness of participation.
26. Schools will also provide non-participating parents with detailed lists of resources to supply for their child.
27. All items included in the SRS must be able to be independently sourced by parents who choose not to participate in the SRS, either from a third party supplier or by purchasing a school-specific resource (such as a diary or workbook) from the school.
28. Schools may distribute information and invoices to parents in the year preceding the SRS but invoices must not be due before the end of the first week of term 1 of the SRS year. All invoices must have a minimum of 30 days for payment.
29. Parents must be given the option annually to choose not participate in the SRS.
30. In return for payment of the participation fee, the SRS will provide participating students with the resources and materials as outlined in the school SRS documents.
31. SRS moneys received are to be expended only on student resources outlined in the school's SRS and must not be expended on other items or used to raise funds for other purposes.
32. As the SRS operates for the benefit of participating parents and is funded primarily from participation fees, the school retains control of the resources and determines the rules around their availability to non-participants.
33. A student entering the school during the school year is entitled to pay a pro-rata fee to participate.
34. Where participation fees have been paid and a student leaves the school during the year, schools must determine if parents will be eligible for a pro-rata refund. This calculation will also take into account any pro-rata allocation of any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, parents will be liable to pay this balance of funds.
35. The replacement cost of any resource will be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school, as detailed on the annual SRS information provided to parents.
36. Schools may initiate debt recovery action in accordance with the debt management procedure where a parent has an outstanding debt

School fees for excursions, special activities and camps are calculated on a cost recovery only basis, according to the number of students who have indicated their attendance.

Participation of students in such activities is indicated through payment of the fee and provision of a permission form completed by the parent/caregiver.

As the school budget cannot meet any shortfalls in funding for an excursion/activity/camp due to the subsequent non-participation of a student who had previously indicated attendance of the activity, fees already paid for an excursion or camp or activity may be refunded in full or in part or not at all, having regard to the associated expenses incurred and the circumstances of the non-participation.

If a parent/caregiver wishes to apply for a refund due to their child's non-participation in an excursion/activity/camp, they may do so by completing the Request for Refund form available from the school office.

Refunds will not be paid immediately, but will be paid after the reconciliation of the activity in the process outlined below:

When a refund has been approved, it will be given using option 1 first, followed through to option 4.

1. The refund will be actioned against any outstanding amounts on the student's account.
2. The refund will be actioned as a credit against the student's account at the school.
3. The refund will be paid into a nominated bank account/EFT/Cheque
4. The approved amount will be refunded to Credit Card **only if used for original payment.**

Some possible refund scenarios are outlined below.
