Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:
• Build teacher capacity to differentiate their pedagogy, curriculum and classroom environment to meet individual learning needs (Archer and Hughes)
• Develop Individual Learning Plans for students at risk (including those who require extension)
• Review the Learning Support referral processes and practices (Hattie)
• Build Parental/caregivers’ capacity to support their children’s education through training in Multi-Lit and Support-a-reader
• Employ our Learning Support Teacher 1 extra day per week
• Support teachers to develop and implement support plans (ILP, EAPs)
• Work with students who require targeted and intensive Literacy teaching (including those who require extension)
• Participate in Capacity Development Programs
• Access regional support staff
• Participate in online dyslexia training.
• Undertake professional development in foundational literacy programs (Pre-Lit; Mini-Lit and Multi-Lit)
• Engaging parents and caregivers in establishing individual learning plans
• Conduct parent training sessions in Pre-Lit; Mini-Lit and Multi-Lit
• Conduct parent training sessions in support-a-reader
