

Investing for Success

**Under this agreement for 2022
Kairi State School will receive**

\$43,419*

This funding will be used to

- Achieve National Minimum Standard (NMS) in literacy for their year level or
- Have an evidence based learning plan in place to address their specific learning needs.

Guarantee that:

- There is an increase in the percentage of students in the upper 2 bands in year 3 and 5 reading and writing.

Our initiatives include

- Build teacher capacity to differentiate their pedagogy, curriculum and classroom environment to meet individual learning needs (Archer and Hughes)
- Develop Individual Curriculum Plans (ICP) and Individual Student Plans (ISP) for students at risk (including those who require extension)
- Employ skilled staff in learning support

Our school will improve student outcomes by

- Employ staff to support educational programs
- Develop and implement ICPs and ISPs which address identified student needs
- Collect school-based data
- Analyse collected data and then implement plans to address the outcomes
